

COVID-19 STUDIO SAFETY PLAN

Perform symptom and temperature checks prior to bringing your child to the studio. Children with a temperature above 100 degrees or experiencing symptoms must stay home.

Only students and PDC staff will be allowed inside the studio. Parents will drop-off & pick-up at our outdoor registration point.

Students and staff will sanitize their hands upon entering the studio.

Face masks are required for all staff and students ages 3 and older. Masks must be breathable, have straps or ties, no holes, and cover the nose and mouth at all times in the studio.

Dance shoes are required for in-studio participants, to be worn inside the studio only. Street shoes will be stored with your child's personal items.

Groups are limited. Place markers used in each room and throughout the lobby to aid safe physical distancing.

Staff will be frequently sanitizing high-touch areas and equipment.

If you are feeling unwell in any way, please do not visit the studio. There is a virtual option as well!

We've installed a UV Light System into the HVAC to disinfect the air!

Additional safety measures we have implemented

- Signage inside & outside the studio regarding our Covid-19 procedures
- Extra hand sanitizer, tissues, soap and disposable hand towels made available
- Educating staff on Covid-19 policies and procedures
- Staggered drop-off & pick-up times
- Monitoring and educating students on hand washing and physical distancing to the greatest extent possible
- Students are required to bring a labeled backpack to keep their street shoes and water bottle in. Everything must fit inside the bag.
Note: We will have water bottles available for purchase and dancers can purchase water bottle punch cards at the front desk. Water bottles will be labeled with dancer's name.
- Preparedness plan if a child or staff member becomes ill while at the studio
- Ongoing virtual programs for remote instruction!

Check Your Child For COVID-19 Symptoms

- Cough
- Fever
- Chills
- Muscle Pain
- Shortness of breath or difficulty breathing
- Sore throat
- New loss of taste or smell

Thank You!

We appreciate your patience and understanding for all of the procedures. If you have any questions, please reach out to a PDC staff member! Everyone's positive attitude makes this a fun and healthy experience for all dancers, families, and staff!
